

# Your Way Home

## 2015 Community Impact Report

### Making homelessness rare, brief and non-recurring in Montgomery County, Pennsylvania.

Your Way Home is Montgomery County’s unified and coordinated system for ending and preventing homelessness.

Your Way Home’s funders, providers, landlords and community partners embrace a “housing first” approach to ending and preventing homelessness. By utilizing best practices like coordinated entry, progressive engagement, and Rapid Re-Housing, Your Way Home helps people find and maintain affordable housing, then connects them to services that promote health, housing stability, and economic opportunity.

In 2015, Your Way Home helped 140 households find safe and affordable housing.

In addition, Your Way Home connected 127 people to jobs and 320 people to their public benefits.
